

Computer Networks (2025-2026)

Exam Information

Jeroen Famaey

jeroen.famaey@uantwerpen.be

What do you need to know for the exam?

- All slide material (including slide notes)
 - Part 1: Computer networks and the Internet
 - Part 2: Application layer
 - Part 3: Transport layer
 - Part 4: Network layer
 - Part 5: Link layer
- Related chapters and sections in the book are **optional** (to improve your understanding of the materials)
- An example exam will be shared via blackboard

What can (and can't) you bring to the exam?

- You should bring
 - Something to write (a pen)
 - Your student card (preferably), or other form of identification (e.g., ID card)
 - 1 two-sided A4-format sheet of paper with notes (can be hand-written, printed, text, figures, etc.)
 - (optionally) a calculator (advised)
 - (optionally) something to eat and/or drink
- You shouldn't bring
 - A smartphone or other means of external communication (advice: turn it off and leave it in your backpack)
 - Scrap paper (this will be provided by us)
 - Printed slides, book, ... (except 1 A4 handwritten page as mentioned above)

Practical information

- **When?** Friday June 5 at 09h00
- **Where?** M.G.010
- **How long?** 3 hours (up to 4 hours for those with facilities for 30% extra exam time)
- Exam counts for 50% of grades (labs for the other 50%)
- A minimum of 4/10 should be obtained on each part to pass the course

Course schedule

Week	Theory Lecture (Thursday @ 10h45)	Lab Session (Friday @ 8h30)
9 – 15 February	Part 0 (Practicalities) + Part 1 (Intro)	Lab 0: Introduction to Mininet
16 – 22 February	Part 2 (Application Layer)	No lab
23 February – 1 March	Part 2 (Application Layer)	Lab 1 (Application Layer)
2 – 8 March	Part 3 (Transport Layer)	Lab 1 continued
9 – 15 March	Part 3 (Transport Layer)	Lab 2 (Transport Layer)
16 – 22 March	Part 3 (Transport Layer)	Lab 2 continued
23 – 27 March	Part 4 (Network Layer)	Lab 3 (Network Layer I)
30 March – 5 April	Part 4 (Network Layer)	Lab 3 continued + Lab 4 (Network Layer II)
6 – 19 April	Holiday (Easter break)	Holiday (Easter break)
20 – 26 April	Part 4 (Network Layer) & Part 5 (Link Layer)	Lab 4 continued
28 April – 3 May	Part 5 (Link Layer)	Holiday
4 – 10 May	Closing session & exam info	Lab 5 (Link Layer I)
11 – 17 May	Holiday	Holiday
18 – 24 May	Lab 6 (Link Layer II)	Lab 6 continued

The End
